学会会长致辞

President's Greetings

金荣奇 Kim Young Kie

大韩中国学会截至目前所取得的发展和成果是令人骄傲的。这是学会全体会员的关注与热情的产物，也是各位研究者忠实履行使命的结果。但是，由于学龄人口的减少、社会环境与价值观的变化、媒体的发展和教育模式的变化等，教授者的教育危机和研究者的研究危机要求我们重新反省大学本来的使命，转换应对未来社会的思考方式。

The development and accomplishments that the Korean Association for Chinese Studies (KACS) has achieved have been amazing. It is the fulfillment of every association member's interest and passion and the result of having faithfully accomplished our researchers' missions. However, the crisis we face as teachers and researchers, due to the reduction of the school-age population, the change in social environment and values, the development of social media, a change in education paradigms, and many other factors make us reflect again on the substantial duty of higher education and require us to transform our thoughts for preparation of future society.

大韩中国学会将通过学术研究信息的共享与交流、研究氛围的营造等举措，提供透明、公正的学术研究平台。通过知识信息的再生产，促进社会发展，引领学术潮流，为学会的可持续发展探索方向和方法。汇聚全体会员的力量，加强国内外实质性的学术合作与交流，扩大学会的影响力和知名度，为使学会成为具有较高国际影响力的专业学术团体而不懈努力。

The KASC will provide a clear and fair academic research platform through support for the research environment and the information sharing and exchange of academic research. By encouraging social development and leading academic flow by way of information distribution, we will find the needed direction and methods for sustainable development. Furthermore, we will do our best to jump into the global-level association beyond Korea by gathering all members' capabilities and reinforcing academic cooperation and exchange inside and outside of the country.

Korean Association for Chinese Studies

“大韩中国学会”创立于1983年,其前身为“釜山庆南中国语文学会”。1984年发行学会杂志《中国语文论集》,成为釜山、蔚山、庆南地区中国语言文学研究的中心。2000年以后,学会进一步面向全国发展,扩大规模,并将学会名称更改为“大韩中国学会”,学会会刊名称也更改为《中国学》,不仅包括语言文学类的研究,还发展成为包括中国学整个学术领域研究在内的综合型学会。

The Korean Association for Chinese Studies was established in 1983 as the Association of Busan, Ulsan, Gyeongnam Chinese Language and Literature. Upon its publication of the academic paper 'Chinese research paper' in 1984, it took its place as the center of Busan, Ulsan, Gyeongnam's Chinese language and literature research. In 2000, as it came to aim for a nationwide association, it changed its name to 'Korean Association for Chinese Studies.' It also changed its research paper title to 'Chinese Studies' and developed a comprehensive association that could accept not only literature and language but also the entire range Chinese Studies research.

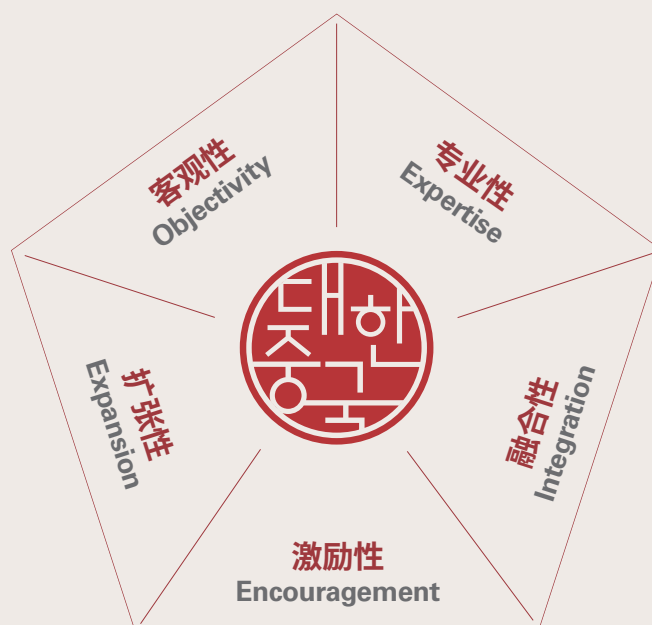

2006年被评选为韩国研究财团登载候补志, 2014年被评定为韩国研究财团登载志。从2016年开始, 每年发行4期(3月、6月、9月、12月)学术杂志。2018、2019、2020年均入选韩国研究财团学术期刊支援事业(入选率为26.9%)。这表明, 本学会期刊无论在数量还是质量评价上, 都大大领先于国内其他学术杂志。

In 2006, KASC was nominated as a listed candidate for the National Research Foundation and became the nominated paper of the National Research Foundation in 2014. It has been issuing the research paper 4 times per year (March, June, September, December) since 2016. In 2018, 2019, and 2020, it was selected as the sponsor company of the National Research Foundation research paper. This demonstrates that our research papers are advancing more than other national research papers in two aspects, namely quantitative evaluations and qualitative evaluations.

《中国学》涵盖的研究领域不仅包括已有的中国语言文学, 还包括汉语教育、文化、历史、哲学、社会科学、地域学、宗教学等具有时代特色的研究领域。

本学术期刊在广泛意义上具有“客观性、专业性、融合性、激励性、扩张性”等五大学术价值。《中国学》正是通过对这五种学术价值观的追求, 实现与其他学术杂志的差异化, 从而巩固在相关领域专业学术杂志的引领地位。

The range of 'Chinese Studies' encompasses not only the original topics of Chinese language and literature but also Chinese education, culture, history, philosophy, social studies, geology, religion, and many other new emerging areas that relate to Chinese studies.
